## Important Information about our Licensee

### Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

### Other documents you may receive

In addition to this FSG, when we provide you financial advice we will also present you with a written Statement of Advice (SOA).

This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that have not already been disclosed in this FSG and may influence the advice we provide.

If you receive further financial advice from us, we will present you with either another SOA or keep our own written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

### Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

We are authorised representatives of Apogee Financial Planning Limited ABN 28 056 426 932, Australian Financial Services Licence Number 230689 ("Apogee Financial Planning") of Level 1, 105-153 Miller Street, North Sydney NSW 2060.

## Our Referral Policy

A referral from an existing client is the preferred way for a new client to find us. With so little independent information available, a referral from a friend or colleague makes the decision of finding an adviser so much easier. As a result, we receive many referrals from our clients and treat each referral very seriously. Just in case there was someone you knew who required our assistance in the future, you should be aware of our Referral policy.

- All referrals from clients are treated on a no-obligation basis. We welcome the opportunity to meet with any referrals, but there is no pressure placed on them to proceed any further than an initial meeting.
- We maintain strict confidentiality and Privacy policy procedures between clients and any of their referrals. We cannot discuss either party's situation or disclose their decisions or objectives.
- You may wish to pass on our details, in which case we can provide you with business cards with our details. Introductions to referrals can also be made over a coffee, via an email or phone call or at one of our seminars.
- If family members wish to meet as a group to discuss broader issues such as estate planning, we are happy for this to be arranged.

Where we are unauthorised to provide you with a financial service or financial product that you are interested in, we will advise you of this and refer you to an alternative source of advice.

# How you can pay for our services

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

## **Other payments we may receive**

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

## **Benefits we may receive**

Sometimes in the process of providing advice, we may receive benefits from product providers.

## **Conferences**

We may attend conferences and professional development seminars that have a genuine education or training purpose. Apogee Financial Planning Limited, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

## **Non-monetary benefits**

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support. You can view an extract of the register by contacting us. Please be aware that Apogee Financial Planning Limited may charge you for the cost of providing this information to you.

# How you can pay for our services

## **Sponsorship**

Apogee Financial Planning receives cash payments from product providers who sponsor and attend training presentations, conferences and/or professional development days. Amounts vary between product providers and your financial adviser does not directly share in the sponsorship payment; however, they may indirectly benefit as these payments subsidise the costs associated with these training and professional development events.

## **Commissions received by our Licensee from product providers**

Apogee Financial Planning has ongoing commission arrangements with a number of risk insurance providers. Where you acquire a risk insurance policy issued by AIA, Zurich, Colonial First State and One Path the insurer may pay Apogee Financial Planning a commission payment which based on total in-force premium and lapse rates for risk insurance policies recommended by all advisers within Apogee Financial Planning adviser network. The payments received by Apogee Financial Planning may be up to 2% of the premium amounts paid by policy holders to the relevant insurer. As this amount is calculated in the future, we cannot provide an exact amount at this time; however, as an example, if as a result of services provided to you by Apogee Financial Planning, a participating insurance provider receives \$5,000 in premium for policies up to 31 December 2017, then Apogee Financial Planning will receive up to \$100 as a commission (2% of the premiums held).

The above payments are not shared with your adviser. These payments do not represent an additional charge to you and your adviser will disclose in your Statement of Advice insurance products for which these arrangements may apply.

## **Distribution Allowance**

MLC Limited pays a distribution allowance to National Wealth Management Services Limited, a related body corporate of NAB, in respect of the distribution of MLC Limited's insurance products by licensees in the NAB Group (including NAB). This amount is not ascertainable at this time and will depend in part on the value of MLC Limited's insurance portfolio relating to insurance distributed through NAB and its related bodies corporate and the performance of NAB and its related bodies corporate against agreed annual performance criteria.

This allowance is not shared with your adviser and does not represent an additional charge to you.

## **Referrals**

If you have been referred to us or we refer you to someone else, we may have arrangements in place to or receive a referral fee, commission, or other benefit.

Details of any arrangement will be provided in our advice to you.

# How you can pay for our services

## **Business Equity Valuation (BEV)**

In the event of our death or permanent disablement, or if we were to leave the financial planning industry, Apogee Financial Planning Limited provides a buyer of last resort option called BEV. This helps manage the transition of ownership to ensure you continue to receive advice.

The value of a sale under BEV is based on a multiple of ongoing revenue received by the business on an annual basis. The multiple can range from 2.5 to 4 depending on the proportion of the ongoing revenue that comes from clients who hold MLC group financial products.

Here are some examples to help you understand the potential benefit to us of our clients holding MLC group product:

If the ongoing revenue of the business was \$100,000 and 50% of our clients held MLC group products, the sale value for the financial planning business would be between \$250,000 and \$350,000;

If the ongoing revenue of the business was \$100,000 and 85% of our clients held MLC group products, the sale value for the financial planning business would be up to \$400,000;
